**A varied binder with two complete base groups.** All 15 cards of the 1972 Kellogg's All-Time Baseball Greats group and all 54 base subjects of 1974 Kellogg's are observed. The 1974 card backs remain hidden by opposite-facing cards.

**52 of 60 Topps Giants.** Mantle, Aaron, Clemente, Kaline and Bob Friend #28 are present. Additional Topps Super and unnumbered Exhibits broaden the binder; Exhibits series dates remain provisional.

The five working reports separate the buyer summary, observed checklist, detailed review and illustrated condition examples. Counts are based on visible physical items, not a presumed set sequence.

## 1964 GIANTS / EIGHT NUMBERS NOT OBSERVED

### #3, #7, #42, #45, #47, #48, #51, #60

1974 Kellogg's completeness refers to named base subjects. Ron Santo, Buddy Bell and Wilbur Wood reverse/statistic variants cannot be resolved. Babe Ruth #6 and #14 in the All-Time Greats group are distinct base cards.

Exhibits are unnumbered. The 1939-1946 and 1947-1966 labels are provisional catalog series ranges, not proven individual printing dates. Catalog references are listed in Inventory and Review.
