Photographic coverage. 204 cards have matched front/back images. Jack Harshman #104 and Chuck Diering #105 share a pocket on page 13, confirmed by the owner. The page images show Harshman’s front and Diering’s back; the opposite sides are not separately documented. Both entries are marked in the checklist.

Condition and inspection. These are raw cards with varying condition. This inventory identifies cards and locations; it does not authenticate cards or assign professional grades. Use the original photographs and an in-person inspection to assess individual condition.

Offered as part of Edd’s collection. Browse the binder photographs and contact the owners to discuss inspecting the collection.
